

Attention : USPS UPS FedEx

HEMP & CBD Shipment Notification

Shipping Instructions :

Any mailer who presents CBD oil or other CBD products derived from industrial hemp for mailing must demonstrate that their mailing is compliant with the Agricultural Act of 2014 by providing the following documentation:

Terramor Technologies will retain all copies of the documents described above until the expiration date shown on the State Department of Agriculture license.

Packages may not be shipped via carriers other than USPS until they have made provisions for it in their guidelines.

PLEASE LABEL ALL SAMPLES as you entered them in on line form and seal package carefully

Below is a certification form to be signed and included with each shipment. Be sure to Sign and Date at bottom and enclose with Sample Shipment to Terramor Technologies.

To Shipment Handler:

This package contains laboratory samples of CBD and/or Hemp products. The shipper attests these products have been produced and shipped in accordance with the Agricultural Act of 2014 ("Act"), and the associated advisory "Acceptance Criteria for Cannabidiol (CBD) Oil and Products Containing CBD" released by USPS on March 4, 2019.

These samples are being delivered to :

Terramor Technologies PO BOX 420, Lexington, VA 24450

Phone 540.824.3420

This Lab is accredited to receive, store, and test hemp and CBD products.

Furthermore, the Lab is certified by the DEA to handle and process Cannabis for analysis.

Terramor Technologies DEA Registration # RT - 0573736

I certify that all information provided in this letter and supporting documents are accurate, truthful, and complete. I understand that anyone who furnishes false or misleading information or omits information relating to this certification may be subject to criminal and/or civil penalties, including fines and imprisonment.

Sincerely,
